Trolleys to Secure your Notebooks & Netbooks

New Revolution ECO 28 Bay Laptop Trolley

The Revolution Range laptop trolleys come with an adjustable bottom shelf, designed to fit notebooks or netbooks. This patented feature means that you can safely store, charge, secure and transport almost any type of laptop, no matter how big or small. Create an instant computer lab - anywhere, anytime with the Revolution Range 28 bay laptop trolley.

The Revolution Range 28 bay laptop trolley is also equipped with the new remote controlled ECO Safe Charge™ power management system designed to make charging your laptops as easy as pressing a button. The ECO Safe Charge™ can help prevent power overloading by staging power distribution. Save power, reduce energy bills, reduce your carbon footprint and extend the life of your laptop batteries with the ECO Safe Charge™.

This product features:

Charging

- 2 x Eco Safe Charge™ - remote controlled power management system designed to automatically stage power availability to each bank and has an ECO Timer™ function that allows you to select the amount of charge time for each bank (1 – 4 hours)
- 3m power lead for connecting the trolley to the main power source
- 28 x 240 volt power sockets

Security

- Anti-theft security anchor kit for locking down the laptop trolley
- Recyclable steel construction for increased security, durability and longevity
- Recyclable steel locking bars for securing up to 28 notebooks or netbooks
- Revolution Range padlocks for securing the trolley and laptops

Storage

- A unique one-time-adjustable bottom shelf can be set to store notebooks or netbooks.
- Vertical laptop orientation designed for quick and easy access
- Ample room under the top lid for storing laptop power packs

Transport

- Designed to accommodate standard width doorways
- 360° swivelling castors with brakes for easy manoeuvring

Protection

- Open design for preventing laptops from overheating and for easy visual checks
- Felt lined laptop slots for protecting laptops
- Powder coated finish in Igneous Grey and Leaf Green
- **10 Years Manufacturer's Warranty**
